Dear Parents / Carers

A big thanks

Thank you for your support this year. It has been a challenging few years in so many ways. Your support has continued to be invaluable during the year and we thank you for what you have contributed to the school and also your child's education. If we do not see you in person before the end of the term, we hope you have an enjoyable summer break.

Thank you!

Amber Weather Warning

Please see the next page for further details regarding the Amber Weather Warning in place for next week.

The last week

As we approach the last few days we would like to ensure children workbooks are safely handed out and children's belongings are sent home for the summer break. Please can we ask for the following on the last couple of days.

Tuesday

Please can you send your child into school with a plastic carrier bag. We are aiming to clear the cloakrooms and children's trays on Tuesday so will be sending quite a few things home at the end of the day.

Wednesday

On the last day of term the children are invited to bring a game into school to play with their friends. As previous years please can we request that expensive electronics are not sent in as we would hate for them to get damaged and that these games are named to ensure they are returned correctly at the end of the day.

Please also only send in what your child needs for the day so the risk of items being left in school is reduced.

Amber Warning

On Monday and Tuesday next week we are anticipating very warm temperatures which may impact how the school functions.

As it stands there is an amber warning for the Northwest. The latest summary reads:

- The heat begins to build from Saturday onwards with day-on-day rises in temperature through to Tuesday. Temperatures on Saturday pleasantly warm, mid 20°C Cheshire.
- Sunday very warm/hot, high 20s°C Cheshire with perhaps the odd spot 30°C in S. Cheshire.
- Night time temperatures will become increasingly uncomfortable from Saturday night onwards. Sunday night may not dip below 20°C in town centres and there will be little or no breeze.
- **On Monday the temperatures will rise into the 30s °c with peak values reaching as high as the mid 30s °c Cheshire.**
- **Monday night is expected to be very warm and oppressive** (expected to be in the mid 20s °c).
- The **peak of the heat will be Tuesday when it is likely to hit mid 30s °c**. It is possible for some spots to reach the upper 30s °c
- The breakdown of the heatwave is currently scheduled for Tuesday night into Wednesday with an increasing likelihood of thundery showers spreading up from the southwest

If the forecasts are accurate then the school will be putting additional measures in place such to protect the children. These measures may include reduced time outside, additional hydration breaks etc. It is vital that ALL children attend with a waterbottle next week to ensure that they have access to water when needed. A hat and suncream is also very strongly advised.

Thank you for your support and understanding regarding this.

Thursday to Saturday - generally warm and settled, temperatures gradually build from Saturday.

Sunday - temperatures reaching into low- to mid-30s Celsius inland in warmest areas.

Monday and Tuesday - peak in temperatures, reaching mid- to high-30s in places.

40% chance of breaking all-time UK records.

20% chance of 40 Celsius being recorded somewhere in the UK.

Some places seeing minimum temperatures remaining above 20 Celsius, especially so in urban areas.

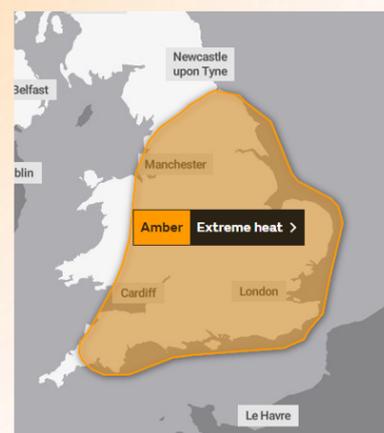

Outside the warning area, temperatures also well above average.

From Wednesday onwards - general cooling trend towards more normal temperatures for the time of year. A risk of showers or thunderstorms developing.

Extreme Heat Warning as of 0930 Thursday 14 July

Year 6's and farewell

At the end of next week we bid farewell to our Year 6 class of 2022. We will say our goodbyes in person next week but wanted to say how proud of them we are. They have worked incredibly hard this year and shown great resilience through some challenging periods. It is fantastic to see how far they have grown as people and we are sure that they will go on to achieve fantastic things. Good luck in high school!

At the end of the year we are also wishing farewell and good luck to a couple of other children who are moving on to other schools. We hope that you take positive memories into your next educational adventure and wish you the best.

The school staff

A brief, public thank you to all of the school staff. In which ever role they have all the staff have contributed to the school and worked their best to ensure the children are safe, happy and have enjoyable learning experiences.

For those staff leaving the school we wish you well in the next step in your career. Thank you for contributing to the school and impacting the children so positively.

Term Dates 2022-2023

In advance of next academic year we have attached the term dates for 2022-2023. These dates can also be found on the school website.

School Lunch Costs 2022-2023

An overview of the lunch costs for the 2022-2023 academic year will be sent out in September. We hope that providing these costs in advance enables you to budget accordingly.

AmaSing at the Storyhouse

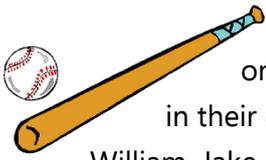

Twenty of our Y6 children took part in the AmaSing schools singing performance at the Storyhouse on 30th June. This was a brilliant opportunity for them to perform on the main stage alongside other local schools. The children behaved impeccably throughout. Well done to Martha, Sofia, Bella TP, Bella H, Olivia, Maisie, Effie, Izzy, Charlie H, Bronwyn, Summer, Charlotte, Matilda, Elliot, Ethan, Jordan, Charlie, Akash, Mason, Jake D,

Sport

Rounders

We took part in the Chester Schools Rounder's Tournament at Bishops High School on Tuesday 5th, where the Year 6 team won 3 matches and lost 1, making them second in their group. Well done to: Bronwyn, Bella TP, Matilda, Martha, Charlotte W, Charlie K, William, Jake D, Akash, Daniel.

CSSA Athletics

On Monday evening, we took part in the inter-schools' athletics event at Ellesmere Port Sports Village. We had Y6 pupils competing in the field events in the afternoon then the rest of the school team attended after school for the track events. There were 24 Chester schools taking part and the standard was high, we came 14th overall.

We got into 4 finals races and our Y3/4 girls (Cara, Emilie, Josie, Olivia H) won bronze and Cara in Y4 won bronze in the Y4 girls' spring race.

Well done to the whole team who tried their best in very hot conditions.

Y6: Bella H, Bella TP, Charlotte, Izzy, Sofia, Ethan, Oliver, William Jake E, Charlie K, Jordan, Charlie H, Olivia, Bronwyn, Martha, Grace, Effie, Seth, Dylan, Mason, Akash, Jake D.

Y5: Arun, Frank D, Georgia C, Penny

Y4: Emilie, Cara, Josie, William, Lalit, Sam

Y3: Olivia H, Ava, Ethan, Jakey

County Cricket Finals

Both our boys and girls teams got through to the schools' county cricket finals at Warrington CC this week. They both came second in their group matches then went on to win their 'second group' matches. The standard of play was excellent, the weather more bearable than Monday and the venue was fantastic. A brilliant opportunity for all of the children.

Huge thanks to parents who have supported with all of the above sports events. We couldn't do it without you! It always makes us proud when we take the children out for these events, their behaviour and attitude are always excellent and they are super ambassadors for our school. Well done everyone!

AmaSing and Athletics

If you are interested in either trying athletics or attending the AmaSing summer creative classes, please see the attached flyer.

PTA

Fundraising

Firstly from the school staff, and children, we would like to extend our thanks to the PTA and all parents for your support with events, attending, contributing to or participating in.

The work of the PTA is phenomenal and so, so appreciated by the school. It contributes massively to what we are able to offer in increasingly difficult times.

At the end of this year the PTA accounts indicate that £10,033.74 was raised. This is a remarkable achievement by the PTA. Thank you so much!

The school is currently working with the PTA to consider how best to utilise the monies raised to benefit all the children in the school. We will update you in due course regarding this but replacing some of the trip trail around the field and installing new play equipment to compliment what is there does look promising at the moment.

Your School Lottery

The PTA has set up Your School Lottery. This fundraising initiative is popular with many schools and each ticket raised provides funds for the school. It is really easy to sign up. Just click on the link below and search for the school. Any support you are able to offer would be very gratefully received.
