

Christleton Primary School

Pupil Acceptable Use Agreement (Foundation, Year One and Year Two)

This is how we stay safe in Key Stage 1 when we use technology:

- I will ask a teacher or an adult if I want to use the computer or an iPad.
- I will only complete activities or use software that the teacher or an adult has told or allowed me to use.
- I will take care of the iPad, computer and other equipment.
- I will ask for help from the teacher or an adult if I am not sure what to do or if I think I have done something wrong.
- I will tell the teacher or an adult if I see something that upsets me on a screen.
- I know not to talk to strangers online.
- I will not share my personal information with anyone online.
- I will always be nice if I post or messages online.
- I know that if I break the rules I might not be allowed to use the computer, iPad again.

I understand and agree to the 'Pupil Acceptable Use Agreement'.
