Dear Parents / Carers

In our continued drive to improve provision and enhance our curriculum offer as well as taking on-board parental feedback, we are pleased to inform you that we will be increasing the range of after school clubs on offer from September.

There will, of course, be the usual high quality provision provided by external providers. However, running alongside these clubs will be a variety of clubs ran by teachers. This will be the case for the first half term of each term i.e.

Autumn first half term	September → October
Spring first half term	January → February
Summer first half term	April → May

These clubs will normally run from 15:20→16:00/16:10. Further information will be sent out in September, but we thought advanced notice would be appreciated.

As a guide, we are anticipating that the internally run clubs may include clubs similar to the following

Netball (KS2)
Computing (KS2)

Board games (Yrs.2-4)
Construction (KS1)
Cross country (KS2)

Art club (KS1)
Choir (KS2)

Please note that there may be limits on the numbers able to attend certain clubs.

To ensure fairness, we will therefore send the booking information out on the first day back in September. We will then confirm which children have secured a place in each club.
