Dear Parents / Carers

MBNA Grant

We are very pleased to inform you that the school was successful in obtaining a grant from the MBNA community grant programme. This grant will enable the school to purchase an additional set of ipads.

The additional devices will have a huge impact in school, ensuring the accessibility to IT and significantly reducing the timetabling pressures felt currently.

You may be aware of the financial pressures on schools currently so we are overjoyed that we have been able to secure such a grant. A huge thank you to the MBNA for their support and also those who supported our application.

Home – School Agreement

A reminder to read and agree to our Home-School Agreement sent via the School Spider app.

We will be re-sending this message today in the hope all parents can share the document with their child and complete the agreement.

Getting Involved

A reminder of our letter sent out last week regarding getting involved in the school. Should you be interested in supporting the school in any of the ways mentioned, please could you complete the survey accessed via the link in the letter. The survey will close at the end of next week. We will collate the information. Thank you in advance for any support you feel able to offer.

Next week, 25th – 29th September we will have hosting a Scholastic Book Fair in the school hall. There will be over 200 titles to browse and buy with prices starting at £2.99.
