Looked After Children Policy

Intent

Educational achievement and subsequent life chances for LAC and previously-LAC are of real concern. Pupils who are looked after require additional support and attention in order to improve their situation.

Christleton Primary School endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our pupils. With this in mind, we aim to:

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.

Rationale

Schools are key in helping to raise the educational standards and improving the life chances of looked after children, and in tackling the causes of social exclusion through careful planning, monitoring and evaluation. Schools can also provide a source of continuity and "normality" for children who may have been subject to emotional distress, abuse, and disruption. School can be the place where children maintain friendships and a place where they feel safe and can be themselves.

Raising levels of achievement has been strongly and clearly highlighted as a major part of improving the life chances of looked after children and schools play a pivotal role in this.

Definitions

"Looked-after children (LAC)" are defined as:

- Children or young people who are the subject of a Care Order or Interim Care Order under the Children Act 1989.
- Children who are placed in foster care, children's residential homes, with relatives or friends, in semi-independent or supported independent accommodation.
- Children subject to a Care or Interim Care Order whilst placed with a parent, where the LA has parental responsibility.
- Children who are not subject to an order, but are accommodated by the LA under an agreement with their parents.

“Previously-LAC” are defined as:

- Children who are no longer looked after by an LA in England and Wales because they have either been adopted or are the subject of an adoption, special guardianship or child arrangements order.
- Children who were adopted outside England and Wales from ‘state care’ (care that is provided by a public authority, religious organisation, or other organisation whose main purpose is to benefit society).

Legal Framework

Recent legislation and guidance from the Department for Education and Skills (DfES) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of looked after children.

Schools must:

- Ensure access to a balanced and broadly based education to all looked after children
- Prioritise recording and improving the academic achievement of all looked after children
- Prioritise a reduction in the number of exclusions and trancies for all looked after children
- Ensure there is a designated teacher to advocate for the rights of looked after children
- Develop systems of communications and protocols
- Promote the attendance of looked after children

Objectives

We will:

- Work alongside social workers to ensure that each looked after child has a current Personal Education Plan in place within the LA guidance.
- Provide a climate of acceptance and challenge negative stereotypes.
- Ensure all children who are looked after have the same opportunities to participate fully in the National Curriculum, careers guidance, extracurricular activities, work experience, and enjoy the school experience fully in line with corporate parenting principles.
- Ensure discretion when addressing a child’s care status and ensure there is sensitivity to the background of children who are looked after, especially surrounding work on family.
- Ensure the designated teacher is provided with regular training, and that they cascade this training to school staff as appropriate.
- Seek to review all school policies regularly in the light of the LEA’s Social Inclusion guidance, Special Educational Needs Legislation, and joint Department for Education and Skills / Department of Health guidance on The Education of Children in Public Care.
- Ensure that a clear protocol for sharing of information will be followed both within school and with outside agencies.
- Endeavour to support all looked after children educated in this school to achieve to their fullest possible academic potential.
- Report achievement and progress to the local authority ‘Virtual Head’ on a termly basis.

- Avoid delays in providing suitable educational provision.
- Ensure the education achievement of LAC is seen as a priority by everyone who has responsibilities for promoting their welfare.
- Report regularly on the attainment, progress and school attendance of LAC through the authority's corporate parenting structures.

The headteacher is responsible for:

- Appointing the designated teacher for LAC and previously-LAC.
- Allowing the designated teacher the time and facilities to succeed in carrying out their duties.
- Overseeing this policy and monitoring its implementation, feeding back to the governing board annually on the following:
 - The number of LAC and previously-LAC in the school
 - An analysis of assessment scores as a cohort, compared to other pupil groups

- Ensuring all members of staff are aware that supporting LAC is a key priority.
- Ensuring PP+ for previously-LAC is managed effectively.
- Promoting the advantages of actively challenging negative stereotypes of LAC.

The designated teacher for LAC and previously-LAC is responsible for:

- Building relationships with health, education and social care partners and other partners so that they and the VSH understand the support available to LAC and previously-LAC.
- Promoting the educational achievement of LAC and previously-LAC at the school; this includes those that left care through adoption, special guardianship or child arrangement orders or were adopted from state care outside England and Wales.
- Acting as the main contact for social services and the DfE.
- Promoting a culture of high expectations and aspirations.
- Ensuring LAC are involved in setting their own targets.

The Designated Teacher for LAC is Mrs Hughes

The DSL is responsible for:

- Keeping up-to-date records of LAC's respective social worker and VSH.
- Promoting amongst staff the importance of recognising and reporting safeguarding concerns surrounding LAC and previously-LAC as soon as possible due to their increased vulnerability to harm.
- Where a child ceases to be looked after and becomes a care leaver, keeping up-to-date contact details of their LA personal advisor and liaising with the advisor as necessary regarding any issues of concern affecting the care leaver.

The SENCO is responsible for:

- Ensuring they are involved in reviewing PEP and care plans for LAC and previously-LAC.
- Liaising with the class teacher, designated teacher, specialists and parents when considering interventions to support the progress of previously-LAC.

Staff are responsible for:

- Being aware of LAC and previously-LAC and providing them with support and encouragement.
- Preserving confidentiality, where appropriate, and showing sensitivity and understanding.
- Being vigilant for any signs of bullying towards LAC and previously-LAC.
- Being vigilant for any signs of safeguarding concerns surrounding LAC and previously-LAC due to their increased vulnerability to harm, and reporting any concerns to the DSL as soon as possible.
- Promoting the self-esteem of LAC and previously-LAC.

Personal education plan (PEP)

All LAC must have a care plan; PEPs are an integral part of this care plan.

The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.

The school with other professionals and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances. All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.

The PEP will address the pupil's full range of education and development needs, including:

- On-going catch-up support, which will be made available for children who have fallen behind with work.
- Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.
- Transitional support where needed, such as if a child is moving to a new school.
- School attendance and behaviour support, where appropriate.
- Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.
 - Out-of-school hours learning activities, study support and leisure interests.

The VSH and the designated teacher will ensure that information is included within a LAC or previously-LAC's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment.

Any interventions supported by PP+ will be evidence-based and in the best interests of the pupil.

Working with agencies and the Virtual School Head (VSH)

The school will ensure that copies of all relevant reports are forwarded to the LAC social workers, in addition to carers or residential social workers.

The school will coordinate their review meetings.

The school will work with other agencies to exchange information, such as changes in circumstances, exclusions or attendance issues, taking prompt action, where necessary, to safeguard LAC and previously-LAC.

Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.

The designated teacher for LAC and previously-LAC will communicate with the VSH and child's social worker to facilitate the completion of the PEP.

Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay. The designated teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.

PP+ for previously-LAC will be allocated directly to, and managed by, the school. The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or previously-LAC, and according to their needs. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

The designated teacher will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.

The school will share their expertise on what works in supporting the education of LAC and previously-LAC.

Admission/Induction Arrangements

Looked after children are a priority for admission and, as such, we will follow the LA's published admission criteria.

Records will be requested from the child's previous school and as soon as practicable after they are received a meeting will be held with the carer / parent, social worker, and other relevant professionals, and child as appropriate. This will provide information to inform the child's new Personal Education Plan, and ensure that communication systems are established early.

In the first PEP meeting, we will seek clarification from the social worker as to who requires school reports and who may give permission for school trips or other such activities. At this meeting any means of communication to aid the fluid exchange of information between statutory meetings will be discussed and agreed (such as a home/school book to detail any sudden significant changes in a child's circumstances.)

Safeguarding

The school recognises that many LAC and previously-LAC have experienced trauma, abuse or complex family circumstances that have led to them being placed in care, and will ensure that all staff are aware that experiences of adversity such as these can leave pupils vulnerable to further harm or exploitation.

All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and previously-LAC as soon as possible.

Where a LAC or previously-LAC has a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence or missing education where there are known safeguarding risks.

The headteacher will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of LAC and previously-LAC can be adequately protected to the extent that reflects their increased vulnerability.

Staff will be encouraged to report to the DSL any concerns they have over LAC or previously-LAC in line with the processes outlined in the Child Protection and Safeguarding Policy.

Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a LAC or previously-LAC is being bullied, as this can have a particularly negative impact on pupils who have early experiences of rejection or abandonment.

Pupil mental health

LAC and previously-LAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. The designated teacher will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and previously-LAC, and knows how to access further assessment and support, where necessary.

The school understands that the increased frequency of mental health problems amongst LAC and previously-LAC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the designated teacher will ensure that they, and all staff who maintain regular contact with LAC or previously-LAC are vigilant surrounding any changes in the mental health, behaviour, social inclination or mood of these pupils.

Pupils with SEND

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.

The SENCO, class teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress. If appropriate, the VSH will be invited to comment on proposed SEND provision for previously-LAC.

The designated teacher and the SENCO will ensure that LAC and previously-LAC with SEND are supported in line with the Special Educational Needs and Disabilities (SEND) Policy, with extra consideration given to the fact that some of the usual procedures for supporting pupils with SEND may lack applicability for LAC, e.g. where LAC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.
