Dear Parents / Carers

Re: Parents' Evenings – Tuesday 26<sup>th</sup> March and Wednesday 27<sup>th</sup> March

I hope this letter finds you well and that you are having an enjoyable weekend. I am writing to inform you about the upcoming Parents' Evenings, which will take place on Tuesday 26<sup>th</sup> March and Wednesday 27<sup>th</sup> March.

We believe that regular communication between parents and our teaching staff is vital for the continued success of your child's education. These evenings provide an excellent opportunity for us to discuss your child's progress, address any concerns or queries you may have, and work together to ensure their continued academic and personal growth.

To facilitate the evening, we have made arrangements for appointments to be made online using the School Spider App or website. The booking system will go live at 6pm on Monday 18<sup>th</sup> March. Please ensure you have access to the App or website and make your appointments promptly to secure your preferred time slots.

Each appointment will be scheduled for a duration of ten minutes. We kindly request your cooperation in ensuring that appointments start and end on time, as this will enable us to accommodate all parents within the allocated time frame. Your support in adhering to these time slots will be greatly appreciated.

Please note that during the meetings, your child's teacher will focus on discussing their overall progress, highlighting areas of strength, and identifying areas that may require additional attention. Please come prepared with any specific questions or concerns that you may have, as this will allow for a more productive and focused discussion.

We value your involvement in your child's education and look forward to meeting with you. Together, we can ensure the best possible outcomes for your child's learning journey.

If you encounter any difficulties with the online booking system or have any further questions, please do not hesitate to contact our school office, and our staff will be more than happy to assist you.

Thank you for your continued support and cooperation.

Kind regards,

*Mr Mitchell*
