Dear Parents / Carers

50 years of CPS.

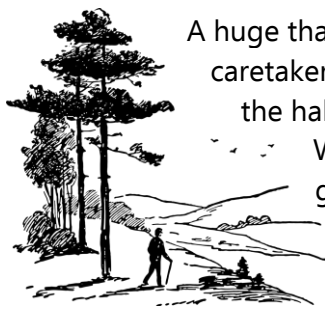

Today we celebrated 50 years of Christleton Primary School. We were thrilled that Mr Cummings and Mr Harker, the previous Headteachers, were able to join us to celebrate this event. The children loved meeting them and learning

about the past of the school and how it has changed over the years.

At this point in time, we would also like to express our gratitude to parents, pupils (past and present), Governors, volunteers and the wider community who continue to support the school. The community is such an important part of who we are and what we do.

Mr Smith's Sponsored Walk

A huge thank you, and well done to Mr Smith, our school caretaker, for completing the West Highland Way walk during the half term break.

We hope that you enjoyed reading his updates, which gave a fantastic insight into his experience.

Thank you also to those who offered sponsorship for this event. We are pleased to announce that it raised around £600 pounds for the PTA.
A big thank you to all those involved!

Quarry Lane Pavement

You may have seen that the school met with CWAC and the Parish Council this week to discuss the path at the front of the school. We are continuing to work with the Parish and local council to explore how the path can be improved. Your continued support with this is appreciated.

Pupil Achievements

We love to hear about the achievements of our pupils whether it be in or out of school.

We have recently heard that Will, Oliver and Madhav, three of our Year 6 pupils have been selected to play for Cheshire in the Cheshire Cricket Festival.

We also learnt that Eloise, one of our Year 4 children had the opportunity to meet and train with the Liverpool Football Clubs Women's 1st Team.

A huge well done to all of these children on their achievements.

Multiplication Evening (ks2 parents)

Thank you for your support at this week's multiplication tables evening. It was pleasing to see so many parents attending. The evening focussed on how we teach, assess and support children to learn their multiplication tables. We hope the evening was both useful and informative.

Thank you to Miss Shepherd, Mrs Barnes, Mrs Shaw and Miss Stokes for organising the event.

Parent Questionnaire

Thank you very much to those parents who took the time to respond to our Parent Questionnaire. We had a total of 78 responses. These responses provide us with a fantastic insight into how you view the schools work and provision.

We do encourage all parents to participate in these questionnaires. They are very useful in helping us to understand what you feel we do well and also help us to identify areas we may look to develop further.

We will be analysing your responses over the coming weeks and will communicate this with you. The outcomes can be viewed on the school website by following the link below.

Silver Bike

For some time, there has been a silver bike in the bike shed. This bike has remained unmoved for several months.

Obviously bikes are not cheap and it appears that this one has been forgotten.

If you recognise the bike, please could you retrieve it as soon as possible. If the bike is not claimed by the end of next week (Friday 3rd

May) we will assume that it is not being collected and dispose of it accordingly. Thanks for your assistance with this matter.

Parent Lunches (Dates for your diary)

Information has been sent out to the Year 3 parents regarding Parent Lunch on Wednesday 8th May. We look forward to seeing you there if you can make it.

We have provisionally booked in the following dates for Year 4 and Year 5.

Year 4	Friday 7 th June
Year 5	Tuesday 18 th June
