Parent Governor Election

Dear Parents / Carers

We wrote to you before the summer break to invite nominations for the vacancy of a Parent Governor at Christleton Primary School.

We welcomed applications from anyone interested in the role, but especially individuals with a HR or legal background, as this is an area the governors identified as having less expertise.

We are delighted to say that we have received two applications. This means we must now hold a ballot.

Within this letter are the personal statements from the candidates.

Each parent is entitled to one vote in the ballot and you should vote for the candidate you feel is most suitable for the role. The ballot will take place via a Google form which will be live for a period of two weeks from today. The **form will close at noon on Tuesday 28th September.**

The election will be decided by a simple majority of votes cast. In the event of a tie, lots will be drawn.

When the election has been completed we will share the outcome with you.

Once you have read the statements on the following page please click on the link below to cast your vote.

Thank you for your continued support.

Kind regards,

Mr Mitchell

Candidate 1

Mr Lewis

In September, my eldest daughter will commence her educational journey. As local residents, my wife and I are delighted that this will be at Christleton Primary School where I'm sure she will be encouraged to be the best that she can be.

As a qualified accountant specialising in the fields of Internal Audit, Governance and Risk Management, I am keen to take on this role as a Governor.

I believe that my experiences across a variety of industries including both private corporations and educational institutions will offer value to the school and I am keen to play my part!

Candidate 2

Mrs Eaton

I'm very excited to have this opportunity to be part of the team at Christleton Primary, that supports the children and dedicated staff in achieving all they do.

I'm fortunate to have my daughter at Christleton Primary and she is in year one.

Working with young children is a privilege and enormously rewarding. I would love to bring my experience as a parent, teacher and Primary Education Consultant, to help the school flourish even further.

I'm enthusiastic and would dedicate time to ensure I followed Christleton Primary's ethos; 'Be the Best You can Be' as a Parent Governor.
