Dear Parents / Carers

Happy half term

As we reach the end of the first half term we would like to thank you for your continued support. Despite the frustrations of COVID-19 still continuing to impact schools, we have been able to achieve a lot during the half term.

We have much to look forward to in the second half of the spring term as can be seen from the key dates. We start the term with the science week which also includes World Book day and various class trips. The term ends with an opportunity for you to come into school during our Spring Term Parents' evening.

World Book Day

A reminder that **World Book Day is Thursday 3rd March** this year. As it is the 25th anniversary, we are inviting the children to come into school either in their party clothes or in an outfit inspired by one of their favourite books. We appreciate that over the past few years World book day has become increasingly commercialised and would like to reiterate that there is no need or requirement for people to purchase outfits especially for the occasion. On the day there will be plenty of activities planned for the children to promote a love of reading and celebrate literature.

Parents' evening

Our **spring term parents' evenings** will be held on the **29th and 31st March** this year. We are hoping that we will be able to welcome you into school for face-to-face meetings at this point, obviously this will be dependent on guidance and cases at this point in time. We will also be providing the option of a telephone call rather than a face-to-face meeting should this be the preferred option. We will once again be using the School Spider App to book these appointments, further information about this will be communicated after the half term break.

Term	Cost
Spring second half term	£58.80
Summer first half-term	£66.15
Summer second half-term	£80.85
Whole of the summer term	£147.00
Total cost for the remainder of the year	£205.80

COVID in School

We are pleased to say that during the last week of term we had relatively few cases of COVID-19 across the school. This is no doubt a direct result of the hard work by staff, the measures taken in school and the support of you, our parent community. We have fared very well compared to neighbouring schools and thank you for your continued support and understanding.

Dogs on school grounds

A polite reminder that we do not allow dogs on to the school grounds. The only exception to this is where the dog is required to support access i.e. they are a working guide dog.

Occasionally dogs may be brought into school as an educational activity or to support particular pupil/s. In these circumstances a risk assessment will have been carried out, insurance will be in place, parents will have been informed and consideration will have been made for allergies and those who may wish not to participate.

Thank you for your support in this matter.

Football fixtures

Our football team played away at Chester Blue Coat School in a league match on Thursday 10th February winning 3-0. On Monday we missed out in a cup match 3-1 against Highfield. Both matches saw the whole team putting in a great effort, supporting each other and really trying their best to succeed. Thanks to Mr Chandler and Mr Cooper for their coaching support. Well done to Dylan, William, Seth, Jake E, Jake D, Oliver D, Ethan, Jordan, Akash and Charlie.

Hi 5 Netball Tournament

A team of 5 players attended the above tournament at Blacon High School on 9th February, they represented the school well with excellent teamwork. Thanks to Mrs Maddison and Mrs Binns for attending and supporting the team. Well done to Charlotte W (Y6), Penny, Sophia, Georgia C, Arun and Oliver T (Y5).

Your School Lottery

The PTA has set up Your School Lottery. This fundraising initiative is popular with many schools and each ticket raised provides funds for the school. It is really easy to sign up, just click on the link below and search for the school. Any support you are able to offer would be very gratefully received.
