Friday 11th March 2020

Dear Parents / Carers

School Spider App

As communicated at the start of the week (Communications Letter Sent 07.03.22), we will be using the School Spider App as the vehicle to book parents evening appointments.

From the **14th March onwards we will also be using the app for other school communications such as messages, dates and the fortnightly newsletter.**

To ensure all parents have access to this app we are providing the instructions to download it once again.

The School Spider App can be accessed in two ways:

Either on a desktop or laptop via our website - by selecting 'parent login' on the top black bar.

OR

by using the School Spider App, which exists for tablets and smartphones and is available for Apple and Android devices.

<https://apps.apple.com/us/app/id1030400910>

https://play.google.com/store/apps/details?id=com.schoolspider.schoolspider&hl=en_GB

Once you have downloaded the App, **you must select Christleton Primary School**, using the dropdown bar.

Once you have done this you can access the school's information.

To receive information related to your child/children, select Parent Login and enter your username and password. Your username will be the email you provided to us.

If you have any issues accessing the App or would like further support, please do get in touch with the school office who will willing support.

Kind regards,

Mr Mitchell
