Friday 20th May 2022

Dear Parents / Carers

Health Week

A reminder that it is our Health Week next week. The letter sent out last Friday,

https://www.christletonprimaryschool.co.uk/serve_file/6442679

provided an overview of the events planned for this week and identified where there are opportunities for parents to come into school to support.

Currently the weather forecast is looking good so with a bit of luck all of the events should be able to take place as planned.

Change of date – Photographs

Please note the change of date regarding class photographs. We have been able to secure **Monday 13th June as the date for the class photographs** to be taken.

Hydration

It is very easy to forget the importance of water for overall health and a well-balanced diet. Staying hydrated helps keep children alert and focussed, helps keep their bodies at a safe and healthy temperature, and can improve cognitive functioning. School aged children should be drinking at least six to eight glasses of water each day.

Please can we ask that each child is sent to school with a named water bottle which will ensure they have access to water throughout the day.

This is especially important as the weather improves and the children are becoming more and more active at break and lunch times.

Statutory Assessments

We would just like to say a huge well done to all of our Year 6 and Year 2 children for their effort, maturity and focus during their SATs weeks. Thank you also to the staff who have worked hard to ensure the children were able to access the tests in a calm and relaxed manner.

19th May 2022

School census day

23rd – 26th May 2022

Health week

23rd May 2022

Race for Life

24th May 2022

Wheels Extreme KS2

@christletonpri

Please could we ask for your support with the following

Punctuality

Please can we remind all parents that school drop off occurs between 08:45 and 09:00. **By 09:00 children should be in their classroom and ready for learning.** We are noticing a small but significant number of families who are routinely arriving after registration. This is not only disruptive for the office staff but means children are missing important teaching inputs and are disrupting others in their class when they arrive. Arriving 5 minutes late per day, each day, means around 16 hours of learning is lost per year. This does have a significant impact on a child's learning development.

Use of Play equipment before and after school

As the evenings are becoming lighter and the temperatures increasing we are seeing an increasing number of parents loitering at the end of the school day. While some parents are chatting, their children are often left to play on the playground equipment unsupervised. Please can we remind parents that **children should not be using the play equipment on either playground at the end of the day.**

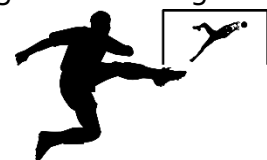

It would be appreciated if parents can remind their children of this rule and ensure at the end of the day that their children are supervised at collection. Your support with this matter is very much appreciated.

Sport

Y4 Football Friendly

A team of 8 from Y4 put in an excellent performance on Thursday 12th when they played a friendly match against Dee Point Primary School. Despite an early goal from the opposition, we managed to win the game 10-2. Congratulations to the team: Josie, Emilie, William, Dylan, Oliver, JoJo C, Sam K and Will S.

Girls Football League

Well done also to the girls' football team who played on Thursday 5th and won their match 2-0 against Dee Point Primary and lost 1-0 to St Martin. They only lost one game throughout the league a fantastic overall effort: Izzy, Bronwyn, Olivia, Charlie H, Bella H, Penny, Charlotte and Sophia.

Cross-Country

On Monday 16th the inter-schools' cross-country competition was held at Ellesmere Port Sports Village. The team of ten runners gave their best efforts running alongside up to 40 children from other schools in each race. Congratulations to Dylan Chandler who came 3rd in the Y5-6 boys' race and well done to the other competitors: Hollie, Alia, Axel, Ethan (Y3) Josie, Alfie, JoJo C, Oliver C (Y4) Oliver K (Y5). We are yet to be informed of our overall position.

Chance to Shine Cricket

All Key Stage 2 classes have enjoyed some great coaching from Jo Herbertson this half term with lots of children improving their cricket skills and we have seen some real talent! Christleton Cricket Club has an active junior section, for more information contact: <https://christleton.play-cricket.com/home>

Health Week

A reminder that children need to wear their school PE kits (blue school t-shirts, dark shorts and trainers) on Monday and Tuesday (class photos date has been changed). Then on Wednesday and Thursday, if possible, please wear 'school house colours' for t-shirts - Eagles - green, Hawks - red, Falcons - blue, Owls - white.

PTA

PTA Film Night

Thank you to the PTA for organising the film night this week and to those who attended. The monies raised from these events is hugely appreciated by the staff and makes a massive difference to what we are able to provide across the school. Thank you also to the staff who attended and supervised the children.

Your School Lottery

The PTA has set up Your School Lottery. This fundraising initiative is popular with many schools and each ticket raised provides funds for the school. It is really easy to sign up, just click on the link below and search for the school. Any support you are able to offer would be very gratefully received.

Click: <https://www.yourschoollottery.co.uk/play>

Search for: **Christleton Primary School Association**

Easy Fundraising

A reminder that you can continue to support the school through the Easy Fundraising site. Easyfundraising turns your everyday online shopping into free donations to the school.

To sign up please follow the link below.
