Tuesday 1<sup>st</sup> November 2022

Dear Parents / Carers

## Maths Evening

Next week, Thursday 10<sup>th</sup> November, we are holding a maths evening.

This evening will follow a similar format to the successful reading evening we held recently.

The aim of this evening is to provide you with an understanding of how the four operations (+ - x ÷) are taught in the school, the progression of them, the skills your child will be developing and how best to support your child at home.

Two inputs will be provided, a key stage 1 and a key stage 2.

- The key stage 1 input will cover maths in EYFS, Year 1 and Year 2.
- The key stage 2 input will include information about the four operations in Year 3, Year 4, Year 5 and Year 6.

The evening will be organised as follows;

16:45-17:20 Key stage 1 evening

17:25-18:00 Key stage 2 evening

Both sessions will be delivered in the year five classroom.

It would be lovely to see as many parents at this event as possible. Thank you for your continued support.
