Dear Parents / Carers

Maths Evening

Thank you very much, to all those parents who were able to make our maths evening. The evening was well received and well attended. We hope that the evening provided a good insight into how we teach the four operations within school and how this can be supported at home.

In the spring term we will be holding a writing evening. We will provide further details nearer the time.

EYFS September 2023 Applications

We are continuing to show parents of prospective EYFS 2023 children around the school. Should you have a child due to start school in September or know someone who does, please get in touch to arrange a viewing.

A reminder that the **deadline for EYFS 2023 applications is 15.01.23.**

Applications should be made through the CWAC website which can be accessed via the link below.

Festive Performances

This week we provided details of the festive performances planned for the last week of the autumn term.

As you will have noticed in the flyer, there has been a change in the organisation of the concerts. This change was made with several thoughts in mind. The new arrangements should allow all children and parents to be comfortably accommodated in the church and also ensure both performances are of a similar, high quality. The organisation of the performances is outlined on the next page:
